2026 SCTEA ANNUAL CONFERENCE

FEBRUARY 12-14, 2026 | HILTON MYRTLE BEACH RESORT

TECH the World Over

Advancing Innovation through South Carolina Technical Colleges

In a world driven by rapid change and nonstop innovation, South Carolina's technical colleges are leading the charge. From AI and advanced manufacturing to high-demand fields like healthcare and IT, we're powering progress across the tech world, and SCTEA is where it all comes together. This conference is a call to action: to educate with purpose, lead with vision, and TECH the world over, right here in South Carolina.

Why You Should Be There:

- Dynamic keynote that challenges and inspires
- Breakout sessions packed with practical, future-forward strategies
- Unmatched networking with statewide leaders, change agents, and innovative vendors
- Elevate the best practices in teaching, learning, careers, and leadership
- Wellness activities to enhance your conference experience
- Special events & celebrations that make it unforgettable

Mark your calendar and get ready to TECH the world over.

Exhibitor Brochure will be available in October by email and on the [SCTEA website](#).
